Religion

Amoricles: What if you "knew" someone that was better than you at everything you've done?

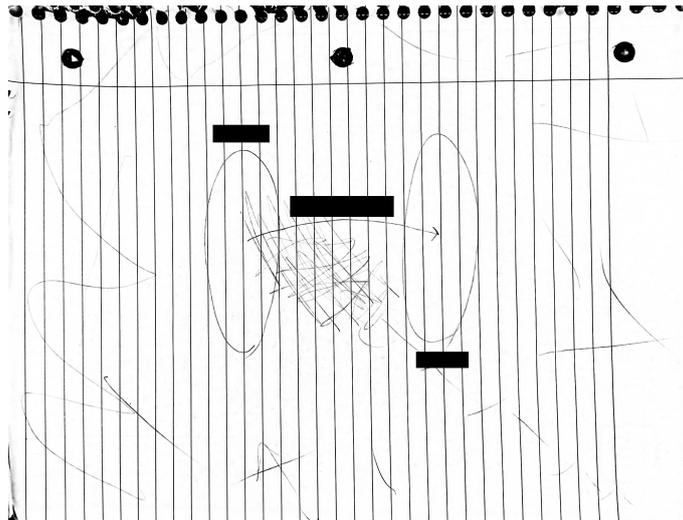

Hyperego: It is self-evident that your god is objectively, substantially better than mine.

Amoricles: Our higher power "[REDACTED]", and yours?

Hyperego: [REDACTED]

Amoricles: We were so devoted. We once thought that everything [REDACTED] says is law, only to realize [REDACTED]'s infallible as the rest of us.

Hyperego: [REDACTED]

Amoricles: I know this very well. Like organic molecules being digested in the presence of oxygen, I used to break down in the presence of [REDACTED].

Hyperego: [REDACTED]
