

*Adjudicator:* The audience finds this is not a comic without illustrations of us. Should we hire a narrator?

*Hyperego:* Yes.

*Adjudicator:* Searching...

*Hyperego:* I can just narrate one into existence.

*Hyperego:* There exists an illustrator... named... .. Illustrator. AND HE HAS NO ULTERIOR MOTIVES.

$\exists$  **Illustrators**

$\exists$  Illustrator  $\in$  ob(**Illustrators**).

I'LL DEFINE ILLUSTRATORS THIS TIME!!!!!!!!!!!!!!!!!!!!

They're a kind of narrator.

$\mathcal{I} \subseteq \mathcal{N}$

*Illustrator:* Thank you.

A self portrait.

~~Wow. That is so bad that The Author had to come out and personally take him behind the strip and kill him.~~

*Hyperego:* Hmmmm..... interesting. This isn't so bad.

*Hyperego:* Can I make expressions?

*Hyperego:* This one looks like I'm saying "well."

*Hyperego:* This looks like I'm mad.

*Hyperego:* This looks like thinking/looking at something far away.

*Hyperego:* I'm staring into their soul.
