

# How did we get here?

Author, Hyperego, Amoricles, Adjudicator, Jon, Cecilia, Liberty, Perdita, Endo, Yoneda, et al.

Next Up: Category Theory

Hyperego: Seriously what. Ugh I don't like this font.

## Objectives

The goal of the matter is this:

## Materials

The following materials were required to complete the research:

- My life.
- My whole life.
- Omniscience.
- Fate.

The materials were prepared according to the steps outlined below:

- 1
- 2
- 3
- 4 I'd close my eyes so I cannot see the view from halfway down.

## Methods

Multivitamins. ClearLax. Estrogen. Spironolactone. Caffeine. Adderall. Alcohol. Nothing more sadly. I'm frugal now.

## Conclusion

Conclusions. At one point they felt a Frankenstein stress/comfort/dislike/like when encountering ████. Now she feels nothing.

## Additional Information

Curriculum Vitae

- 
- 
- Pales

Figure 2: What is there left when deconstruction involves killing yourself?

Is purple and red a good color combination? We're want to spend a while looking at it.
